

Snowman Directions

Step 1. Go to fill bucket and make your background navy blue.

Step 2. Go to shapes and make three circles on top of each other. Make the bottom one the biggest, the middle a little smaller, and the head the smallest. Make them white. Put him about 2 inches from the bottom of the page.

Step 3. Use your pencil and make him a little uneven.

Step 4. Go to shapes and make black uneven circles or ovals for the eyes and mouth. Put the 2 eyes a 0.5 of a cm. below the top of the head. Make it med. small for the nose put a orange triangle pointing to the left in the middle of the face. For the mouth put 4 uneven black circles or ovals and make them in a smile. Make 3 med. little red dots for buttons on the middle circle. Make 2 brown sticks with little twigs on them. Put them on the side of the middle circle.

Step 5. Make a red santa hat on him with a white square at the bottom and a white ball on the end of the point.

Step 6. Take the star with five points and the star with 8 points for snowflakes make them med. small. 6 on the right and 3 on the left. Make the stars baby blue.

Step 7. Take the pencil (color white) make it about 72 thickness and color about 2 in. of the bottom. Make it a little wavy. Cover about half of the bottom circle.
